**followed by the conference ID#: 56117187**

**About DATA Communications Management Corp.**

DATA is a leading provider of business communication solutions, bringing value and collaboration to marketing and operations teams in companies across North America. We help marketers and agencies unify and execute communications campaigns across multiple channels, and we help operations teams streamline and automate document and communications management processes. Our core capabilities include direct marketing, print services, labels and asset tracking, event tickets and gift cards, logistics and fulfilment, content and workflow management, data management and analytics, and regulatory communications. We serve clients in key vertical markets such as financial services, healthcare, lottery and gaming, retail, not-for-profit, and energy. We are strategically located across Canada to support clients on a national basis, and serve the U.S. market through our facilities in Chicago, Illinois.
